## What Is It . All About?

AS the whole world gone stark mad over a very foolish and trivial question? Are swords rattling, cannon rumbling, mailed armour glistening just because Russia wanted to show her love for the little brother-Servia? Tear aside the curtain of Europe's politics and see the grim and sinister game of chess that is being played. See upon what a slim, yet desperate, excuse the sacred lives of millions are being sacrificed. Read the history of the past one hundred years, as written by some of the greatest authorities the world has ever known, and learn the naked, shameful truth. Just to get you started as a Review of Reviews subscriber, we make you this extraordinary offer. We will give to you

## FREE—"Europe at War"

A big book and over 300 pages, size 10 x 9 inches, handsomely and durably bound in cloth, containing the dramatic history of the great events leading up to the present time; over 50 important and timely special articles by experts on the different phases of the conflict; hundreds of graphic pictures, portraits, photographs, diagrams, specially drawn war maps, illuminating statistical records, copies of official documents and diplomatic messages exchanged between the powers—a clear, vivid, accurate, permanent, interesting and valuable record—a record which once seen you will not willingly be without, Europe's past and present are here dramatically pictured and presented. Hun-

30 Irving Place, New York

dreds of illustrations graphically tell their own stories. More fascinating than any romance, here is a history so vivid, so dra-matic, so stirring, so fascinating, so realistic, so wonderfully presented, so thrillingly told that it leaves an ineffacable impression. Your War News Clarified

It is not enough to read the daily news re-ports. Your ability to comprehend conditions and to discuss them rationally depends on a true interpretation of the meaning and the "reason why" of events. In your mind you must bring order out of chaos and the "Review of Reviews" will do it for you-
